SUBJECT-Regarding information & permission for inclusion of new course in MBA & MCA program.

Dear sir,

With due regard I want to draw your kind attention that our IQAC has recommended for addition of new course "quantitative aptitude" which requires for knowledge and skills enrichment in students. I believe that inclusion of this subject is to providing our students with a well -rounded education that prepares them for the challenges of the modern world.

So, in light of subject's relevancy and need we has tried to frame the course outcome as per our knowledge and expertise. So it is a humble request that kindly grant your permission and suggestion get approved by competent authorities for inclusion of the course outcomes for above mentioned subject at your end, which will be a great favour for us.
