Message from the Chairman

Dear Students, Faculty, and Esteemed Readers,

It gives me immense pleasure to extend my heartfelt greetings to all the students of KIPM- College of Management through this edition of our college magazine. This publication is a reflection of our vibrant academic community and the diverse talents that thrive within our campus.

At KIPM- College of Management, we are committed to providing a holistic education that not only imparts knowledge but also fosters critical thinking, creativity, and leadership skills. We aim to prepare you for the dynamic and challenging business environment, equipping you with the tools to succeed and make meaningful contributions to society.

As you navigate through your academic journey, I encourage you to take full advantage of the opportunities provided by our institution. Engage actively in your studies, participate in extracurricular activities, and seek out experiences that will broaden your horizons. Remember, the learning process extends beyond the classroom, and the skills you develop here will serve as the foundation for your future endeavours.

I would like to take this opportunity to thank the editorial team for their hard work and dedication in bringing out this magazine. It is a testament to the creativity, enthusiasm, and collaborative spirit of our students.

To all our students, I wish you continued success in your academic and personal pursuits. May you strive for excellence in all that you do and carry forward the values and knowledge acquired at KIPM- College of Management.

With best wishes,

Er. R.D. Singh

Chairman, KIPM- College of Management

Message from the Managing Director

Dear Students, Faculty, and Esteemed Readers,

It is with immense pride and joy that I address you through the pages of our cherished college magazine. As the Managing Director of KIPM-College of Management, I am honoured to share my thoughts with the brilliant and dynamic community that makes up our institution.

Our college has always stood as a pillar of academic excellence and innovative thinking. The field of Management is ever-evolving, and it is heartening to see our students rise to the challenges with creativity, dedication, and an unyielding spirit. This past year has been marked by extraordinary achievements. Our students have not only excelled academically but have also showcased their talents in various national and international arenas. From winning prestigious competitions to contributing to impactful community projects, your accomplishments have made us all proud.

As we look forward to the future, I encourage each one of you to continue striving for excellence. Embrace every opportunity that comes your way—whether it be internships, research projects, or extracurricular activities. The knowledge and skills you gain here will be the foundation of your future careers and your contributions to society.

I urge all of you to keep pushing the boundaries of your knowledge and to always remain curious and passionate. Together, let us continue to make KIPM-College of Management a beacon of excellence and innovation.

Warm regards and best wishes to you all,

Mr. Vinod Kumar Singh

Message from the Head of the Department

Dear Students, Faculty, and Esteemed Readers,

It gives me great pleasure to connect with you through the pages of our esteemed college magazine. As the Head of the Management Department at KIPM-College of Management, I am delighted to share my thoughts with our vibrant and dynamic community.

Our college stands as a testament to academic excellence and innovation in the field of management. It is inspiring to see how our students are not only excelling in their studies but also actively participating in various extracurricular and co-curricular activities, showcasing their multifaceted talents and leadership qualities.

As we move forward, I encourage all students to continue striving for excellence. Management education is not just about acquiring knowledge but also about developing critical thinking, problem-solving abilities, and leadership skills. Engage deeply with your studies, seek out new experiences, and embrace the challenges that come your way. Remember, the skills and insights you gain here will shape your professional journeys and contribute to your overall growth as responsible and innovative leaders.

Our faculty members are committed to providing you with a comprehensive education that blends theoretical knowledge with practical applications. We continually update our curriculum, incorporate the latest industry trends, and provide opportunities for experiential learning to ensure you are well-prepared for the dynamic business environment.

I implore every one of you to never lose your curiosity, passion, and drive to be the best at everything you do. Let's keep KIPM-College of Management a hub for innovation and excellence together.

With sincere gratitude and best wishes,

Dr. Dhirendra Bahadur Singh

The Society ASES Sansthan

The Ashutosh Shiksha Evam Sewa Sansthan Registered under Societies Registration Act No.21/1860 (Registration No. 2431/1988-89) Ashutosh Shiksha Evam Sewa Sansthan has adopted multisectoral, multi-constituency, and integrated approach in its plans and policies. It attempts to make a positive difference to the quality of lives of the Purvanchal populace. And through comprehensive development strategies to influence policies, build local capacities, and empower communities in core areas such as health, nutrition and education.

One of the main focuses of Ashutosh Shiksha Evam Sewa Sansthan at present is to develop institutions for graduate and post-graduate level studies. In this context, it has taken a pioneering step towards providing management & pharmacy education through its newly established Kailash Institute of Pharmacy and Management & KIPM-College of Management, as these fields offer some of the most promising avenues for a successful and satisfying career.

The Institute will open the doors of employment-oriented courses to hundreds of students. A team of experienced experts shall implement these courses with the highest quality, and modern, well-equipped laboratories shall keep the learners abreast with the latest developments and techniques. Also, the reasonable fee structure will be helpful to candidates from all socio- economic backgrounds.

As we reflect on the evolving needs of our society, it becomes evident that quality education is not just a privilege but a necessity for societal progress. With this realization, we embarked on a transformative journey by establishing the KIPM Technical Campus, a hub dedicated to imparting holistic education and addressing the diverse educational needs of our community.

In 2009, our journey began with the establishment of KIPM College of Pharmacy and Management, marking a significant stride towards providing quality education. This initiative laid the foundation for future endeavors, and the subsequent introduction of KIPM College of Management expanded our horizons in the dynamic field of management.

Recognizing the pressing need for engineering education in our region, we took another bold step in 2012 with the inception of KIPM College of Engineering and Technology. The positive response from students and the community spurred us to diversify our offerings further. In 2014, we introduced diploma courses, catering to the varied aspirations of young minds.

In our commitment to holistic education, 2018 witnessed the establishment of Kailash Institute of Homeopathic Pharmacy, providing specialized knowledge in homeopathic pharmacy. Concurrently, we launched Radio Gorakhpur 90.8 to enhance communication and community engagement, creating a platform for undiscovered talent and spreading awareness on various significant topics.

In 2020, our dedication to excellence was acknowledged by the National Board of Accreditation (NBA), a testament to the high standards of education at KIPM. We inaugurated Kailash Institute of Pharmacy & Medical Sciences this year, reinforcing our commitment to holistic healthcare education.

The Campus

ABOUT DEPARTMENT

Business studies encompass a broad spectrum of educational programs that cater to the dynamic and ever-evolving field of commerce and management. Bachelor of Business Administration (BBA) serves as a foundational course providing insights into various aspects of business management. Moving forward, Master of Business Administration (MBA) programs offer specialization in areas such as finance, marketing, and human resources, preparing individuals for leadership roles in the corporate world. Computer application courses, including Bachelor of Computer Applications (BCA) and Master of Computer Applications (MCA), focus on developing IT skills and knowledge, crucial in today's tech-driven business landscape. As seen in Bachelor of Commerce (B.Com) programs, commercial studies cover diverse subjects like accounting, finance, and economics, providing a well-rounded understanding of business practices. The intersection of business and healthcare is addressed through pharmaceutical education, with courses such as Bachelor of Pharmacy (B. Pharma), Master of Pharmacy (M.Pharm), and Diploma in Pharmacy (D.Pharma), offering specialized training in pharmaceutical sciences. Additionally, the Diploma in Homeopathy caters to those interested in alternative medicine, emphasizing the importance of comprehensive healthcare education. These diverse courses empower students to navigate various facets of business and healthcare, fostering a skilled workforce ready for the challenges of the professional world.

Facilities

The institute campus stands as a testament to modernity, boasting state-of-the-art facilities and contemporary amenities that contribute to a well-rounded educational experience. Designed to foster an environment of informality and harmony, the campus life not only provides conducive spaces for focused academic pursuits but also encourages students to engage in a spectrum of extracurricular activities. These activities serve as a complement to their formal education, enabling a holistic development that goes beyond the confines of the classroom. Conveniently located along the Gorakhpur-Lucknow bypass, the campus ensures seamless connectivity to all parts of Gorakhpur City, facilitating easy access for students and creating an inclusive atmosphere for diverse interactions and engagements.

Central Library

At KIPM Technical Campus, we take pride in our commitment to academic excellence, and our rich libraries stand as a testament to this dedication across all our fraternities, including Engineering, Pharmacy, and Management. The KIPM College of Engineering & Technology Library, for instance, is a cornerstone of academic enrichment, offering students an invaluable array of resources essential for their educational journey. With an extensive collection of books, journals, and digital materials, it creates a comprehensive repository catering to diverse academic needs. Within dedicated spaces equipped with 10 computers, students in each fraternity enjoy seamless access to an expansive range of digital resources, research databases, and academic tools. The environments are thoughtfully designed to provide modern, comfortable, and conducive settings for focused studying, in-depth research, and academic exploration. What sets our libraries apart is their seamless integration with various online platforms, ensuring that students across all fraternities have access to an even broader spectrum of resources. From e-books and academic journals to research papers and multimedia content, these online platforms empower students to delve into subjects comprehensively, promoting holistic learning. The libraries serve not only as hubs for knowledge but also as catalysts for intellectual growth, providing students in Engineering, Pharmacy, and Management with the essential tools to excel in their academic pursuits.

Seminar Hall

KIPM College of Management takes pride in its well-equipped seminar hall, exemplifying the perfect blend of modernity and functionality. The Vishveshvaraiya Hall, designed to cater specifically to the engineering fraternity, serves as a state-of-the-art space for impactful presentations, workshops, and lectures. This meticulously designed venue prioritizes an environment conducive to focused learning and meaningful exchange of ideas.

The seminar hall boasts air-conditioned comfort and soundproof walls, creating an atmosphere that is conducive to concentrated learning and seamless interaction. The incorporation of a top-tier sound system guarantees crystal-clear audio, eliminating any potential distractions and ensuring an immersive experience for the audience. This advanced audio setup not only enhances the overall quality of presentations but also enables the audience to engage deeply with the content being presented.

Adding an interactive dimension to the learning environment, the seminar hall is equipped with smart board technology. This innovative feature facilitates dynamic and engaging presentations, allowing presenters to interact directly with the content, fostering a more participative and immersive learning experience. The

Tagore Hall stands as a testament to our commitment to providing top-notch facilities that elevate the educational experience for students, faculty, and guests alike within the realm of engineering at KIPM Technical Campus.

Medical Facility

The medical facility at our institution serves as a foundational pillar for student well-being and healthcare. Centered on a dedicated commitment to fostering both physical and mental well-being among students and staff, this facility plays a pivotal role in providing essential medical services, guidance, and support. Manned by experienced medical professionals, the facility offers a comprehensive range of healthcare services, spanning regular health check-ups, consultations, and immediate first aid. Its well-equipped infrastructure ensures the swift and efficient redressal of emergencies and minor medical concerns, prioritizing the timely well-being of individuals. Beyond just treating ailments, the facility takes a holistic approach by offering guidance on maintaining a healthy lifestyle, managing stress, and implementing preventive measures against common health issues. It stands as a beacon of support, emphasizing our institution's commitment to fostering a healthy and thriving community.

Radio Gorakhpur FM 90.8

Our community Radio 90.8 stands as a dynamic and vibrant platform, serving as a resonant voice for local communities. Broadcasting on the frequency 90.8, it plays a crucial role in fostering communication,

education, and cultural exchange within the community it passionately serves. This community-oriented radio station acts as a centralized hub for information, entertainment, and engagement, acting as a vital bridge between the local community and the broader world. By providing a platform for discussions on diverse issues such as health, education, social welfare, local events, and cultural practices, it cultivates an informed and connected community. Through a captivating mix of talk shows, music, interviews, and informative programs, the station goes beyond being a broadcast medium, creating a sense of unity and shared identity. Community Radio 90.8 emerges not only as a powerful catalyst for change and dialogue but also as a symbol of inclusivity, solidifying its indispensable role in weaving into the very fabric of the community.

Computer Center

The computing facility at KIPM Technical Campus is a testament to our commitment to providing students with state-of-the-art resources for their academic and research endeavors. Spanning across various fraternities, our computer laboratories stand as hubs of technological advancement and innovation, collectively boasting an impressive inventory of over 350 computers. These laboratories are meticulously designed with a seamless blend of cutting-edge technology and ergonomic considerations, creating a dynamic and conducive environment for learning, research, and exploration. The air-conditioned facility ensures a comfortable and distraction-free atmosphere, allowing both students and faculty to immerse themselves in their work without disruptions. Every computer within these laboratories is equipped with the latest software and high-speed internet connectivity, providing users with the tools necessary to navigate the digital landscape effortlessly. This rich computing infrastructure underscores our dedication to facilitating a technologically immersive learning experience, empowering our community to excel in the ever-evolving field of technology.

Transport Facility

Our institution takes pride in providing a comprehensive and well-organized transport facility, ensuring both convenience and safety for our students and staff. A fleet of well-maintained vehicles operates along various routes, efficiently connecting different parts of the city to our campus. Emphasizing safety as a top priority, our vehicles are equipped with modern safety features and GPS tracking systems, ensuring a secure journey for all passengers. Our drivers are trained to prioritize both comfort and safety, enhancing the overall commuting experience. This transport service significantly improves accessibility, particularly for students residing in distant locations, eliminating the challenges associated with navigating public transportation. Beyond simplifying commuting, this service plays a crucial role in reducing traffic congestion and fostering a greener environment by minimizing individual vehicle use. Our commitment to providing a reliable and eco-friendly transport solution reflects our dedication to creating a conducive and accessible learning environment for our academic community.

Sports Facility

The sports facilities at KIPM Technical Campus are meticulously designed to not only encourage physical fitness but also to instill a sense of sportsmanship and foster holistic development among our students. Within our expansive campus, we take pride in offering a diverse range of state-of-the-art sports amenities that cater to various interests and skill levels. From meticulously maintained sports fields, courts, and tracks to dedicated indoor facilities, our institution provides an extensive array of options to cater to the diverse sporting passions of our students. Whether it's cricket, volleyball, badminton, or athletics, our facilities are tailored to accommodate various sports, promoting teamwork and healthy competition. Supported by

dedicated sports coordinators, students receive guidance and mentorship to enhance their skills and unlock their full athletic potential. Regularly organized tournaments and intercollegiate competitions serve as dynamic platforms for students to showcase their talents, fostering a strong sports community within KIPM Technical Campus. These initiatives reflect our commitment to nurturing well-rounded individuals who not only excel academically but also thrive in the realm of sports and physical fitness.

ATM Facility

The inclusion of an ATM within the confines of KIPM Technical Campus stands as a testament to our commitment to providing convenient and accessible services to our college community. This contemporary amenity is designed to cater to the diverse financial needs of our students, faculty, and staff, offering a seamless platform for cash withdrawals and transactions. Its strategic placement in a central area ensures accessibility to everyone, promoting both convenience and efficiency. Students find it particularly advantageous for various purposes, such as fee payments, purchasing essentials, and managing day-to-day expenses. Similarly, faculty and staff members benefit from the on-campus ATM, enabling quick access to funds without the need to venture off-campus for their banking needs. This facility not only saves time but also contributes to a more streamlined and efficient financial experience for everyone within the KIPM Technical Campus community.

Security

Demonstrating an unwavering commitment to the safety and security of our students and staff, KIPM Technical Campus has implemented a comprehensive security infrastructure. Central to this effort is a team of highly efficient and trained security guards who are instrumental in upholding a secure environment throughout the campus. Strategically positioned at entrances, exits, and key locations, these guards serve as a formidable deterrent to potential threats, ensuring that unauthorized access is prevented.

In addition to their physical presence, our security personnel are equipped with advanced communication devices and are well-versed in emergency response procedures. This preparedness enables them to effectively handle a spectrum of situations that may arise. Beyond their role in deterring threats, the security team actively contributes to maintaining discipline on campus, managing crowd flow during events, and providing invaluable assistance to students and staff. The installation of close circuit cameras at various crucial locations further enhances our security measures, allowing for continuous monitoring and a swift response to any untoward incidents. This multi-faceted approach underscores our dedication to creating a secure and conducive environment for all members of the KIPM Technical Campus community.

Conference Hall

Our meticulously designed conference room, characterized by its well-furnished and air-conditioned ambiance, serves as a dynamic and versatile space tailored to accommodate a diverse range of professional and collaborative activities. Beyond its aesthetic appeal, the space has been thoughtfully curated to ensure optimal functionality and maximum comfort for all participants.

Incorporating advanced soundproofing technology, our meeting room creates an environment that is conducive to focused discussions and presentations. This technological feature ensures an atmosphere of concentration by isolating the room from external noise, allowing participants to engage in meaningful conversations without distractions.

The inclusion of a state-of-the-art sound system further elevates the quality of presentations, discussions, and workshops within the space. This cutting-edge technology guarantees clear and crisp audio, enhancing the overall experience for participants and facilitating effective communication. The round table setup, chosen deliberately, fosters inclusivity and encourages open dialogues, creating an atmosphere that promotes collaborative engagement and thoughtful exchange of ideas. In essence, our conference room is not just a physical space; it is a carefully crafted environment that prioritizes functionality, comfort, and technological sophistication to enhance the quality of professional and collaborative endeavors.

High Speed Internet

Positioned at the forefront of technological innovation, our institution takes pride in delivering an unparalleled digital experience with high-speed internet connectivity that surpasses 300 Mbps, complemented by comprehensive 5G Wi-Fi coverage across the entire campus. This exceptional internet speed serves as a testament to our commitment to providing an advanced technological infrastructure.

This cutting-edge connectivity ensures that our students, faculty, and staff can seamlessly navigate the digital realm, accessing online resources, conducting in-depth research, and actively participating in virtual learning experiences without encountering any lag or disruptions. Whether engaged in downloading substantial files, streaming lectures, participating in video conferences, or conducting real-time research, our high-speed internet empowers every member of our academic community to stay seamlessly connected and consistently efficient.

In embracing this robust digital environment, we aim to create an atmosphere that not only meets but exceeds the evolving technological demands of education and research. Through this commitment to advanced connectivity, we enable our academic community to harness the full potential of the digital landscape for continuous learning, collaboration, and innovation throughout the day.

Hostels Facility

Our hostel facility at KIPM Technical Campus is meticulously crafted to offer students a comfortable and conducive living environment, with separate accommodations provided at the 'Vivekananda Hostel' for boys and the 'Lakshmi Bai' Hostel for girls. Named after great personalities, these hostels are equipped with a range of amenities aimed at enhancing the overall well-being of our students.

The flooring in both Vivekananda and Lakshmi Bai Hostels is diligently maintained, underscoring our dedication to cleanliness and hygiene. The neat and well-kept flooring not only contributes to a positive atmosphere but also fosters a sense of peace and organization within the living spaces.

One of the key features of our hostels is proper ventilation. Ample windows and efficient ventilation systems are strategically incorporated to ensure a continuous flow of fresh air, preventing the accumulation of stale air and promoting a healthy indoor atmosphere. This commitment to providing separate, well-maintained hostels for boys and girls with attention to cleanliness, organization, and proper ventilation reflects our dedication to creating a safe and comfortable residential experience for all our students.

GYM Facility

The establishment of a well-equipped gym within an educational institute is imperative to address the growing emphasis on holistic student development. At KIPM Technical Campus, our college gym stands as a central hub for promoting physical fitness and overall well-being among our students. Boasting a diverse range of modern fitness equipment and state-of-the-art facilities, it provides students with the ideal space to

partake in regular exercise and adopt a healthy lifestyle.

Beyond being a mere exercise space, our gym cultivates an energetic and motivating atmosphere that inspires students to prioritize their health and fitness. This dedicated environment serves as more than just a workout area; it is a space where students can actively engage in stress relief, enhance their physical endurance, and promote mental well-being.

Recognizing the pivotal role physical fitness plays in academic success and overall personal growth, KIPM Technical Campus is committed to providing a well-facilitated gym that contributes not only to the physical health of our students but also to the cultivation of a balanced and resilient mindset, essential for navigating the challenges of academic and professional life.

Parking

Demonstrating an unwavering commitment to convenience, safety, and efficient management, the parking facilities at KIPM Technical Campus have been meticulously designed to cater to the diverse needs of our students, faculty, and staff. The goal is to provide a seamless and organized flow of vehicles while prioritizing the safety and ease of everyone using this space.

Every aspect of the parking area has been carefully planned, from clearly marked parking spots to designated lanes and proper signage. This systematic approach ensures an organized and well-structured parking arrangement that minimizes congestion and enhances the overall flow of vehicular movement on campus. Not only does this contribute to the aesthetic appeal of our campus, but it also guarantees that vehicles are parked securely and without obstruction, creating a safe and hassle-free environment for all members of the KIPM Technical Campus community. Our commitment to efficient parking management underscores our dedication to creating a conducive and well-managed campus infrastructure for the benefit of everyone associated with our institution.

Green Energy: A commitment to society

Embodying a steadfast commitment to environmental sustainability and social responsibility, our institution takes great pride in housing a state-of-the-art 100kW solar power plant. This monumental initiative stands as a powerful symbol of our dedication to harnessing eco-friendly energy solutions for a greener and more sustainable future.

The solar power plant utilizes advanced solar panel technology to convert sunlight into a renewable and clean source of electricity. This eco-friendly approach serves as a catalyst in significantly reducing our carbon footprint, mitigating the adverse environmental impacts associated with traditional energy generation. By opting for solar energy, we actively contribute to the global shift towards renewable resources and demonstrate our unwavering commitment to environmental conservation.

The installation of this solar power plant not only exemplifies our readiness to invest in cutting-edge technologies but also underscores our responsibility towards fostering an eco-friendly campus environment. This sustainable energy source not only provides a reliable and consistent supply of electricity for our institution but also plays a pivotal role in reducing our dependence on conventional energy sources. In doing so, we actively participate in the global effort to curb the harmful effects of fossil fuel consumption, thereby making a positive impact on the well-being of our planet and future generations. This endeavor reflects our institution's holistic approach towards responsible and environmentally conscious practices, solidifying our position as a forward-thinking and socially responsible educational institution.

बात उन दिनों की है जब मैं बहुत छोटा था। बात भी बहुत छोटी सी है। यूँ तो वो घटना मुझे ठीक से याद भी नहीं है। मुझे मेरी मां ने बताया था, अब मां ने बताया तो सच ही बताया होगा। इसीलिए मैंने भी बिना किसी शक और शुबह के वो बात मान ली। क्योंकि मां कभी झूठ नहीं बोलती।

तो बात उन दिनों की ही जब मैं दूसरे दर्जे में पढ़ता था या फिर तीसरे में। मुझे ठीक से याद नहीं, पर यकीन मानिए, इसका कहानी पर कोई असर नहीं होगा। मैं पढ़ाई में अच्छल तो नहीं था, हां मगर औसत दर्जे के छात्रों से कहीं आगे था। इसीलिए ज्यादातर बच्चे मेरी कॉपी से नकल करने के लिए लालायित रहते थे। मैं थोड़ा आलसी और लापरवाह किस्म का भी था। यही कारण था, कि कभी मेरी कॉपी, तो कभी पेंसिल, तो कभी किताबें चोरी हो जाती थी। अब गलती तो मेरी ही थी, कि मैं अपनी चीजें संभाल के नहीं रख पाता था। तो डांट खाने के डर से कभी घर पे बताता था, कभी नहीं। लेकिन मम्मी को हमेशा पता चल जाता था ऐसा नहीं था की मेरी मम्मी झूठ पकड़ने में माहिर थी बल्कि वही रोज़ शाम को मुझे होमवर्क करवाती थी। इसलिए उनको हर एक चीज की जानकारी होती थी। अब कभी वो मुझे मेरी लापरवाही के लिए डांटती, तो कभी प्यार से समझा भी देती थीं कि अपनी चीजें संभाल के रखा करो।

लेकिन कभी तो उनके सब्र का बांध टूटना ही था। और एक दिन ऐसा हुआ भी, दरअसल उस दिन मेरी विज्ञान की किताब किसी ने चुरा ली थी। अब पता नहीं मम्मी को इसी बात पे ज्यादा गुस्सा आया या पहले से किसी बात पर खिन्न थीं। उन्होंने जोर से मेरे गाल पे तमाचा जड़ दिया और गुस्से में तमतमाते हुए बोलीं, रोज़ तुम्हारी ही चीजें चोरी हो जाती हैं तुम किसी की क्यों नहीं चुरा लेते? अब इस पे कोई छोटा सा बच्चा कह भी क्या सकता है! लेकिन मैंने कहा, रोते-2 कहा, “अगर मैं भी किसी की किताब चुरा लाऊंगा, तो मेरी तरह वो बच्चा भी तो अपने घर पे मार खाएगा।” ये बात सुनते ही मां भावुक हो गई। पता नहीं उनको अपनी कही बात का पछतावा था या मेरी कही बात पर गर्व। उन्होंने मुझे गले लगाया और रोने लगीं।

अब विश्वास तो आपको नहीं हो रहा होगा कि इतना छोटा सा बच्चा इतनी बड़ी बात कैसे कह सकता है। मुझे भी नहीं हुआ था। पर जैसा कि मैंने पहले ही बताया, कि ये बात मुझे मेरी मां ने बताई थी और मां कभी।

WOMEN'S PARTICIPATION IN THE BUSINESS WORLD

The presence of women in the business world is not only beneficial but also necessary for various reasons: Women bring unique skills, perspective and experiences to the workplace, which can help businesses succeed in today's competitive and rapidly changing environment.

Gender diversity, along with other forms of diversity such as ethnicity, age and cultural background, leads to better decision-making and problem solving. Women leaders are known to be more collaborative, empathetic and inclusive, which can lead to a more engaged and productive workforce. A diverse and inclusive workplace also attracts & retains top talent, improves employee morale & job satisfaction & can result in a more positive brand image.

Women still face various barriers to their

advancement in the business world, such as gender bias, stereotyping and the lack of female role models, equal pay, flexible work arrangements, mentorship program & leadership development opportunities.

Conclusion :

Women's presence in the business world is necessary for the success of business & the global economy. By embracing gender diversity and creating an inclusive workplace culture, business can not only enhance their bottom line but also create a more equitable & sustainable future.

Trees and plants are very important for the Survival of mankind. The importance of planting trees has been emphasized from time to time. Because trees give numerous benefits to everyone. They make the world better to live in. They exhale oxygen and inhale carbon dioxide and also, they absorb harmful gases and give us fresh air to breathe. Trees also build a sheet to protect us from the harmful ultraviolet rays. Not only that they serve as a habitat for thousands of species of animals, birds and

insects. Trees are the lungs of the earth. They provide us with shade and also serve us from Soil erosion, floods and droughts. However, due to the cutting down of trees,

Human beings are disturbing the ecological balance.

Because of this Many species of plants, birds and animals have become extinct

We should grow more and more trees and practice afforestation because it is the only way by which we can protect Mother Earth.

Article 370 of the Indian constitution gave special status to Jammu and Kashmir, a region located in the northern part of the Indian subcontinent and part of the larger region of Kashmir which has been the subject of a dispute between India, Pakistan and China since 1947. Jammu and Kashmir was administered by India as a state from 17 November 1952 to 31 October 2019, and Article 370 conferred on it the power to have a separate constitution, a state flag, and autonomy of internal administration.

Article 370 was drafted in Part XXI of the Indian constitution titled "Temporary, Transitional and Special Provisions". It stated that the Constituent Assembly of Jammu and Kashmir would be empowered to recommend the extent to which the Indian constitution would apply to the state. The state assembly could also abrogate the Article 370 altogether, in which case all of Indian Constitution would have applied to the state.

After the state constituent assembly was convened, it recommended the provisions of the Indian constitution that should apply to the state, based on which 1954 Presidential Order was issued. Since the state constituent assembly dissolved itself without recommending the abrogation of Article 370, the article was deemed to have become a permanent feature of the Indian Constitution.

On 5 August 2019, the Government of India issued a Presidential Order superseding the 1954 order, and making all the provisions of the Indian constitution applicable to Jammu and Kashmir. The order was based on the resolution passed in both houses of India's parliament with two-thirds

majority. A further order on 6 August made all the clauses of Article 370 except clause 1 to be inoperative.

In addition, the Jammu and Kashmir Reorganisation Act, 2019 was passed by the parliament, enacting the division of the state of Jammu and Kashmir into two union territories to be called Union Territory of Jammu and Kashmir and Union Territory of Ladakh. The reorganisation took place on 31 October 2019.

A total of 23 petitions were presented to the Supreme Court of India, challenging the constitutionality of the abrogation of Article 370 of the Constitution, which constituted a five judge bench for the same. On 11 December 2023, a five judge constitution bench unanimously upheld the constitutionality of the abrogation of Article 370 of the Constitution.

Purpose

The state of Jammu and Kashmir's original accession, like all other princely states, was on three matters: defence, foreign affairs and communications. All the princely states were invited to send representatives to India's Constituent Assembly, which was formulating a constitution for the whole of India. They were also encouraged to set up constituent assemblies for their own states. Most states were unable to set up assemblies in time, but a few states did, in particular Saurashtra Union, Travancore-Cochin and Mysore. Even though the States Department developed a model constitution for the states, on 19 May 1949, the rulers and chief ministers of all the states met in the presence of States Department and agreed that separate constitutions for the states were not necessary. They accepted the Constitution of India as their own constitution. The states that did elect constituent assemblies suggested a few amendments which were accepted. The position of all the states (or unions of states) thus became equivalent to that of regular Indian provinces. In particular, this meant that the subjects available for legislation by the central and state governments was uniform across India.

In the case of Jammu and Kashmir, the state's politicians decided to form a separate constituent assembly for the state. The representatives to the Indian Constituent Assembly requested that only those provisions of

the Indian Constitution should be applied to the state as corresponding to the original Instrument of Accession, and that the state's constituent assembly would decide on the other matters. Government of India agreed to the demands shortly before the aforesaid 19 May meeting with the other states. Accordingly, the Article 370 was incorporated into the Indian Constitution, which stipulated that the other articles of the Constitution that gave powers to the Central Government would be applied to Jammu and Kashmir only with the concurrence of the State's constituent assembly. This was a "temporary provision" in that its applicability was intended to last until the formulation and adoption of the State's constitution. However, the State's constituent assembly dissolved itself on 25 January 1957 without recommending either abrogation or amendment of the Article 370. Thus, the Article was considered to have become a permanent feature of the Indian constitution, as confirmed by various rulings of the Supreme Court of India and the High Court of Jammu and Kashmir, the latest of which was in April 2018.

Analysis

The clause 7 of the Instrument of Accession signed by Maharaja Hari Singh declared that the State could not be compelled to accept any future Constitution of India. The State was within its rights to draft its own constitution and to decide for itself what additional powers to extend to the Central Government. Article 370 was designed to protect those rights. According to the constitutional scholar A. G. Noorani, Article 370 records a 'solemn compact'. Neither India nor the State can unilaterally amend or abrogate the Article except in accordance with the terms of the Article.

Article 370 embodied six special provisions for Jammu and Kashmir:

1. It exempted the State from the complete applicability of the Constitution of India. The State was conferred the power to have its own constitution.
2. Central legislative powers over the State were limited, at the time of framing, to the three subjects of defence, foreign affairs and communications.
3. Other constitutional powers of the Central Government could be extended to the State only with the concurrence of the State Government.
4. The 'concurrence' was only provisional. It had to

be ratified by the State's Constituent Assembly.

5. The State Government's authority to give 'concurrence' lasted only until the State Constituent Assembly was convened. Once the State Constituent Assembly finalised the scheme of powers and dispersed, no further extension of powers was possible.
6. Article 370 could be abrogated or amended only upon the recommendation of the State's Constituent Assembly.

Once the State's Constitutional Assembly convened on 31 October 1951, the State Government's power to give 'concurrence' lapsed. After the Constituent Assembly dispersed on 17 November 1956, adopting a Constitution for the State, the only authority provided to extend more powers to the Central Government or to accept Central institutions vanished.

Noorani states that this understanding of the constitutionality of the Centre-State relations informed the decisions of India till 1957, but that it was abandoned afterwards. In subsequent years, other provisions continued to be extended to the State with the 'concurrence' of the State Government.

Presidential orders

When Article 370 was originally created, only two articles of the Indian Constitution applied in full to Jammu and Kashmir. Other provisions of the Constitution would apply with exceptions and modifications specified by the President in his Order in consultation with or the concurrence of the government of the state. In exercise of these powers, as conferred by clause (3) of article 370 of the Constitution, the President made a series of orders with the concurrence of the Government of the State of Jammu and Kashmir.

1. Presidential order of 1950

The Presidential order of 1950, officially The Constitution (Application to Jammu and Kashmir) Order, 1950, came into force on 26 January 1950 contemporaneously with the Constitution of India. It specified the subjects and articles of the Indian Constitution that corresponded to the Instrument of Accession as required by the clause b(i) of the Article 370.

2. Presidential order of 1952

The Presidential order of 1952 was published on 15 November 1952, at the request of the state

government. It amended the Article 370, replacing the phrase "recognised by the President as the Maharaja of Jammu and Kashmir" by "recognized by the President on the recommendation of the Legislative Assembly of the State as the Sadr-i-Riyasat". The amendment represented the abolition of the monarchy of Jammu and Kashmir.

3. Further presidential orders (1955–2018)

In addition to these original orders, forty-seven Presidential orders were issued between 11 February 1956 and 19 February 1994, making various other provisions of the Constitution of India applicable to Jammu and Kashmir. All these orders were issued with the 'concurrence of the Government of the State' without any Constituent Assembly. Some of these Presidential orders were issued when the state was under President's rule and had "no Kashmir government at all", states Jill Cottrell. The concurrence in this instance was given by the Governor of the state, a nominee of the Union government. The constitutional validity of the procedure was upheld by the Supreme Court of India in 1972.

Applicability of the Indian law to Jammu and Kashmir

Acts passed by Indian Parliament have been extended to Jammu and Kashmir over a period of time.

- All India Services Act
- Negotiable Instruments Act
- Border Security Force Act
- Central Vigilance Commission Act
- Essential Commodities Act

Presidential order of 2019

On 5 August 2019, Home Minister Amit Shah announced in the Rajya Sabha (upper house of the Indian Parliament) that the President of India had issued The Constitution (Application to Jammu and Kashmir) Order, 2019 (C.O. 272) under Article 370, superseding the Constitution (Application to Jammu and Kashmir) Order, 1954. The order stated that all the provisions of the Indian Constitution applied to Jammu and Kashmir. Whereas the 1954 order specified that only some articles of the Indian constitution to apply to the state, the new order removed all such restrictions. This in effect meant that the separate Constitution of Jammu and Kashmir stood abrogated. The order was

stated to have been issued with the "concurrence of the Government of State of Jammu and Kashmir" which apparently meant the Governor appointed by the Union government.

The Presidential Order 2019 also added clause (4) with four sub-clauses to Article 367 under "interpretations". The phrase "Sadr-i-Riyasat acting on the aid and advice of the Council of Ministers" shall be construed as the "Governor of Jammu and Kashmir". The phrase "State government" shall include the Governor. In proviso to clause (3) of article 370 of the Constitution, the expression "Constituent Assembly of the State referred to in clause (2)" shall read "Legislative Assembly of the State". According to Jill Cottrell, some of the Presidential orders under Article 370 have been issued since 1954 in similar circumstances when the state was under President's rule. The Union governments interpreted the "concurrence of the state government" under these circumstances to mean the Governor.

Immediately after placing the Presidential Order 2019 before the Rajya Sabha, Home Minister Amit Shah moved a resolution recommending that the president issue an order under article 370(3) rendering all clauses of Article 370 inoperative. After the resolution was adopted by both houses of the parliament, the president issued Constitutional Order 273 on 6 August 2019 replacing the extant text of Article 370 with the following text:

All provisions of this Constitution, as amended from time to time, without any modifications or exceptions, shall apply to the State of Jammu and Kashmir notwithstanding anything contrary contained in article 152 or article 308 or any other article of this Constitution or any other provision of the Constitution of Jammu and Kashmir or any law, document, judgement, ordinance, order, by-law, rule, regulation, notification, custom or usage having the force of law in the territory of India, or any other instrument, treaty or agreement as envisaged under article 363 or otherwise.

Change of status of Jammu and Kashmir

Main article: Jammu and Kashmir Reorganisation Act, 2019

On 5 August 2019, the Home Minister Amit Shah introduced the Jammu and Kashmir Reorganisation Bill, 2019 in the Rajya Sabha to convert Jammu and Kashmir's status of a state to two separate union territories, namely Union Territory of Jammu and Kashmir and Union Territory of Ladakh. The union

territory of Jammu and Kashmir was proposed to have a legislature under the bill whereas the union territory of Ladakh is proposed to not have one. By the end of the day, the bill was passed by Rajya Sabha with 125 votes in its favour and 61 against (67% in favour). The next day, the bill was passed by the Lok Sabha with 370 votes in its favour and 70 against it (84% in favour). The bill became an Act after it was signed by the president.

The two union territories came into existence on 31 October 2019, which was celebrated as National Unity Day.[108] The president of India appointed a Lt. Governor for the Union Territory of Jammu and Kashmir and a Lt. Governor for the Union Territory of Ladakh. Both the Lt. Governors were sworn in by Justice Gita Mittal, the Chief Justice of Jammu and

Kashmir High Court, on 31 October 2019, first at Leh for Ladakh UT and then at Srinagar for Jammu and Kashmir UT.[110] President's Rule under article 356 of the Constitution of India was ended in the state of Jammu and Kashmir on the night of 30 October 2019. President's Rule is not applicable to and is not needed in a union territory as a union territory is controlled by the central government anyways. The President issued an order stating that he will rule the union territory of Jammu and Kashmir directly until the legislative assembly is constituted in the union territory.

बचपन के दिन

बचपन के वो दिन सुहाने याद आते गलियाँ पुराने,
बचपन का जमाना था जिससे खुशियों का खजाना था।

खबर ना थी कुछ सुबह की ना शाम का ठिकाना था।
मिल के धूम मचाते थे।

सांझ होते अपने घर को आते थे,

सोता था माँ की गोद में आराम से,
जवानी में फुरसत कहाँ दिन रात के काम से,

पापा के पैसे कभी हक से उड़ाए थे।

आज समझ में आया पापा ने बड़ी मेहनत से कमाये थे।

आँख बंद कर बचपन का खेल दोहराते हैं।

आओ फिर एक बार हम बच्चे बन जाते हैं।

पर कुछ नहीं बदला

माना सरकार ने शहरों का नाम बदला है।

और ईमानदार अफसरों को सारा कारोबार बदला है।

माना मैंने, देश में कोई नया संविधान भी बदला है
बेटियों के इंसाफ के लिए मगर नहीं बदला फैसला है।

माना मैंने, देश के गाँव में बहुत विकास भी हुआ है
मगर education system आज भी हिला है।

सड़कों की मरम्मत का काम पड़ा है।
मगर फिर भी झुग्गी झोपड़ियों से आधा हिंदुस्तान भरा है।

चलो माना मैंने किसानों का नियम
पहले से काफी ज्यादा सुधरा है; और Technology

और चाँद की तैयारी में पूरा सरकार लगा पड़ा है।

मगर खेलों का मैदान आज भी कई जगह सुखा पड़ा है,
और federation में खिलाड़ियों का पैसा अटका पड़ा है।

हाँ माना मैंने, कई मायनों में हमारा भारत गर्व से भरा है,
मगर कई मायनों में आज भी भारत सबसे छोटा पड़ा है।

अगर देखो तो 'दो वक्त की रोटी' में हर एक इंसान उलझा पड़ा है,
और मिट्टी में किसानों का पसीना पड़ा है।

Mars पर जाने वाला पहला देश हमारा भारत है,
फिर क्यों नहीं बेटियों की सुरक्षा में बदलता वो फैसला है।

देखा है मैंने उनके भीगे
नमन को जो गिरते है अकेले में
हाँ सही है, देख लेती है किसी अपने को जब

तब पूरे पहर बोलती है अपने शब्दों से
न ही किसी कुछ बोलती
न ही किसी की सुनती
बस तड़प-तड़प कर निकालती है अपने कुछ अपशब्द
हाँ कुछ अलग सी है उनकी दास्ताँ

सुना है चलाती थी गृहिणी बनकर अपने घर को
लेकिन न जाने क्यों रहती है
अब एक वीरान सी सड़क
पर यूँ अकेले

लेकिन न जाने क्यों भटकती है दरबदर
क्या हुआ होगा क्या नहीं हुआ होगा
कौन जखम पर नमक छिड़का होगा
कौन रोने के जज्बात को छीना होगा

कौन हँसी पर रोक लगाए होगा
कौन खुशी पर नज़र लगाए होगा
अनजान है हम उनकी कहानी से
लेकिन एक ख्वाहिश सी है उनके दर्द को पढ़ने की

मेरे जीवन के विचार

दर्द कागज पर
मेरी विकती रही
मैं बैचेन थी
रात भर लिखती रही...

छू रहे थे सब
बुलदियाँ आसमान की,
मैं सितारों के बीच,
चाँद की तरह छिपती रही...

अकड़ होती तो,
कव का टूट गयी होती,
मैं थी नाजुक डाली,
जो सबके आगे झुकती रही....

बदले यहाँ लोगों ने,
रंग अपने-अपने ढंग से
रंग मेरी भी निखरी पर,
मैं मेहंदी की तरह पिसती रही

जिनको जल्दी थी,
वो बढ़ चले मंजिल की ओर,
मैं समन्दर सी राज
गहराई की सीखती रही...!!!

जिन्दगी...

दिल के टूटने पर भी हँसना,
शायद जिंदा दिली इसी को कहते हैं,

ठोंकर लगने पर भी मंजिल तक भटकना,
शायद तलाश इसी को कहते हैं,

किसी को चाहकर भी न पाना,
शायद चाहत इसी को कहते हैं,

टूटे खंडहर में बिना तेल के दिया जलाना,
शायद उम्मीद इसी को कहते हैं,

गिर जाने पर भी फिर से खड़ा होना,
शायद हिम्मत इसी को कहते हैं,

और ये उम्मीद, हिम्मत, चाहत, तलाश....
शायद जिंदगी इसी की कहते हैं...!!

कविता

जरा मुस्करा के देख,
दुनिया हँसती नजर आएगी।

सुबह सैर करके तो देख,
तेरी सेहत ठीक ही जाएगी...!

ब्यसन छोड़ के तो देख,
तेरी इज्जत बन जाएगी...!

खर्च घटा के तो देख,
तुझे अच्छी नींद आएगी...!

मेहनत करके तो देख,
पैसों की तंगी चली जाएगी..!

संसार की अच्छाई तो देख,
तेरी बुराई भाग जाएगी...।

माता-पिता की बात मान कर तो देख,
तेरी जिन्दगी संवर जाएगी...।

आखिर क्या बनना चाहती हूँ मैं

कभी किसी की आँखों का तारा,
कभी आवारा बनना चाहि चाहती हूँ मैं।
कभी अमीरों से भी अमीर
कभी फकीर बनना चाहती हूँ मैं।
आखिर क्या बनना चाहती हूँ मैं?

कभी नौकरी पेशा हाई परफार्मर
कभी खुद कि मालिक बनना चाहती हूँ मैं।
कभी अफसर सिविल सर्विसेज की,
कभी अदीब बनना चाहती हूँ मैं।
आखिर क्या बनना चाहती हूँ मैं?

कभी अलग सबसे हटकर ही,
कभी सब जैसा बनना चाहती हूँ मैं।
कभी जल्दी सुबह उठने वाली,
कभी निशाचर बनना चाहती हूँ मैं।
कभी जीवन का पूरा रस लेकर जीना,
कभी हर पल भरना चाहती हूँ मैं,
आखिर क्या बनना चाहती हूँ मैं।

घुटनों से रंगते रँगते,
कब पैरों पर खड़ा हुआ,
तेरी ममता की छाव में,
जाने कब बड़ा हुआ..
काला टीका दूध मलाई
आज भी सब कुछ वैसा है,

मैं ही मैं हूँ हर जगह,
माँ प्यार ये तेरा कैसा है?
सीधा-साधा, भोला-भोला,
मैं ही सबसे अच्छा हूँ,
कितना भी हो जाऊँ बड़ा,
“माँ!” मैं आज भी तेरा बच्चा हूँ.....

मेरे जीवन की गाड़ी

पैदा होते ही, मैं एक गाड़ी में बैठ गई
क्या आपको पता है वो गाड़ी मेरे,
जीवन की थी।

जो कुछ सालों बाद जाकर स्कूल पे रुकी,
वहाँ मुझे दिमाग का खेल सिखाया गया।
वहाँ मेरी धुलाई हुई और फिर मुझे
साफ-सुथरा समझदार बना के फिर गाड़ी में बैठा
कर भेज दिया गया।

अब मेरी गाड़ी घर में रूकी
वहाँ, खाना, ताना दोनों का ज्ञान मिला, और
प्यार में तकरार तो होता ही है।

कुछ महीने बाद मेरी गाड़ी फिर चली
और मुझे सफल बनाने के लिए- मुझे

आगे बढ़ना सिखाने लगी कि किस तरह
एक जीवन की गाड़ी को चलाने के लिए
हवा, पानी, खाना सब चाहिए होता है।

फिर मुझे उस गाड़ी (जीवन) ने बहुत धक्के दिए,
भीड़ में गिरी, दिमाग हर दिन परेशान रहा।

लेकिन मुझे पता था आज रात है, तो कल
ऊजाला है, तो उठ खड़े हो इस उम्मीद में
कि कल का दिन सिर्फ तुम्हारे लिए बना है।
मैं तो उस राह पर हूँ, मेरे जीवन की गाड़ी
ने मुझे बहुत कुछ सिखाया है।

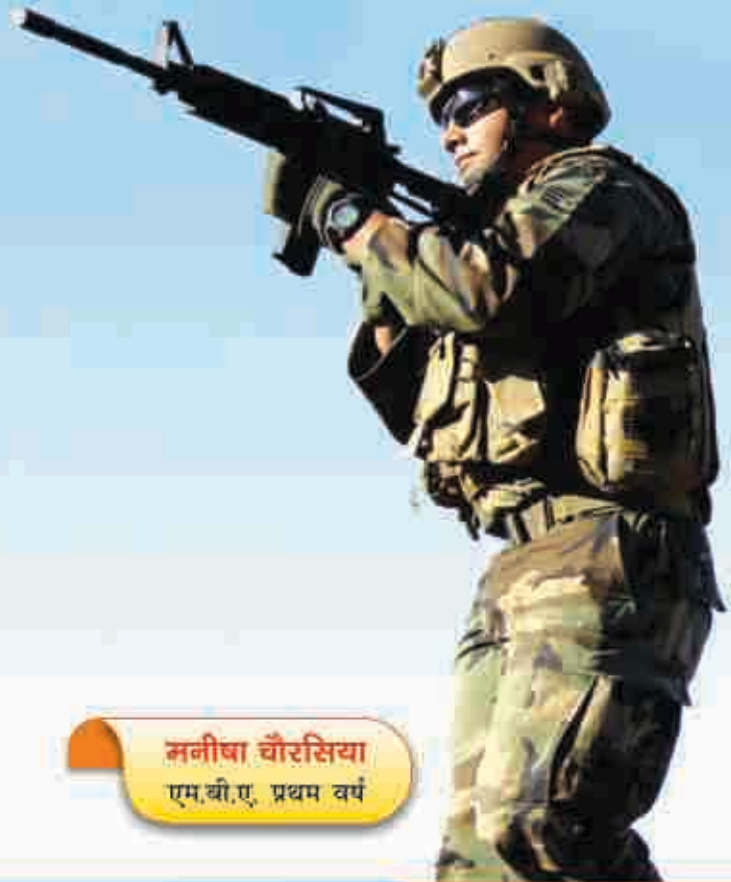

प्रतिकार

ये कब तक चलेगा, यूँ होता रहेगा,
रक्षक धरा का, यूँ खोता रहेगा।
आहुति प्राणों की जाती रहेगी,
लाशें जवानों की आती रहेगी
कब तक यूँ अंतिम संस्कार करोगे,
अब तो कहो कि प्रतिकार करोगे।

अब धर्मयुद्ध की रीति नहीं है,
भीष्म द्रोण की नीति नहीं है,
तो मूक सहोगे बर्बरता को,
तो प्राप्त करोगे कायरता को,
मस्तक उतरे धड़ से रिपू का,
ऐसा प्रचंड प्रहार करोगे,
अब तो कहो कि प्रतिकार करोगे।

वीर हमारे अद्भुत हैं,
वो रण में शौर्य दिखाते हैं,
पर यह तो कोई बात नहीं,
बिन युद्ध वीरगति पाते हैं,
अब काल स्वयं ही कहता है,
शत्रु का दुर्ग हिला डालो,
जो राख चिता से निकली है,
उसमें ही उसे मिला डालो,
प्रण लो तुम हे भरतवंशियों,
शठे शठय व्यवहार करोगे,
अब तो कहो कि प्रतिकार करोगे।

रक्त बड़ा है पुत्रों का,
सीमा के रक्षासूत्रों का,
उपवन में घोर उदासी है,
चितायुक्त क्यों काशी है।
चीख सुनो उन माँओं की,
ये संताने क्यों मूक खड़ी हैं,
न समझोगे तो चूक बड़ी है,
तिनका-तिनका कुछ बिखरा सा है,
अणुको से धुल कर निखरा सा है,
उद्धित हर डब-डब आखों के,
वो स्वप्न भला साकार करोगे
अब तो कहो कि प्रतिकार करोगे।

उन सोलह श्रमिकों को समर्पित

श्रमिक क्या होता है,

वह जो पत्थरों पर सोता है,
नंगे पाँव चलता है।
सूखी रोटी खाता है,
मात्र रोटी ही कमाता है॥

दीन हीन सा दिखता है,
तवे पर रोटी लिखता है,
उसे ही सेकता है,
उसको ही खाता है।
और उसमें से ही कुछ टुकड़े,
सुबह के लिए बचाता है॥

जो प्रायः लाचार होता है,
दुबला पतला आकार होता है,
जिसकी छत टपकती है,
आँधी में उड़ जाती है,
जिसके घर की दीवार,
दो गज पर मुड़ जाती है।

परन्तु हृदय बड़ा होता है,
बड जमीन पर ही पड़ा होता है,
उसके घर एक खाट होती है,
साथ में एक चटाई होती है,
मेहमान के लिए एक तकिया,
एक ही फटी रजाई होती है।

मजदूर की व्यथा

वो एक गमछा रखता है
उसे सिर पर भी बाँधता है,
कमर पर भी लपेटता है,
धोकर उसे हल्के से निचोड़ता है,
सूख जाने पर प्यार से मोड़ता है,
शायद फट जाने का डर होता है,
क्योंकि वह उसे ओढ़कर सोता है।

आह! वह सोता है
सड़क के किनारे सोता है,
बस स्थानक पर सोता है,
लंबी यात्रा में थका हुआ,

रेल पथ पर भी सो जाता है,
खैर वो सुबह उठता नहीं॥

हाँ कुछ रोटियाँ छोड़ा जाता है,
पटरियों पर बिखरी हुई,
बिल्कुल गोल रोटियाँ।
साबुत ही दिखती हैं,
पर उनकी कीमत जिन्दगी में क्या है,
इसका भला अनुभव किसे है॥

सपने देखे जाते हैं

सपने देखे जाते हैं
सपनों का कोई अंत नहीं होता।
बिना सफर किए, हम सफल बने
ऐसा कोई मंत्र नहीं होता।

राही बदल जाते हैं
राहों का कोई अंत नहीं होता।
मिले सफलता देर भले
पर सफर का कोई अंत नहीं होता।

ये काल की चाल निरंतर है
हर माह वसंत नहीं होता।
कालचक्र को कोई रोक सके
ऐसा कोई बलवंत नहीं होता।

यहाँ लोग बहुत मिल जाते हैं
पर कोई कंत नहीं होता
पल भर में छल कर जाते हैं
यहाँ कोई संत नहीं होता।

तुम कर्म करो, बस कर्म करो
इसका कोई तंत्र नहीं होता।
ये जीवन मठ की भूमि है
कोई स्वतः महंत नहीं होता।

अमीर कहता है,
जिन्दगी सुख का सागर है।

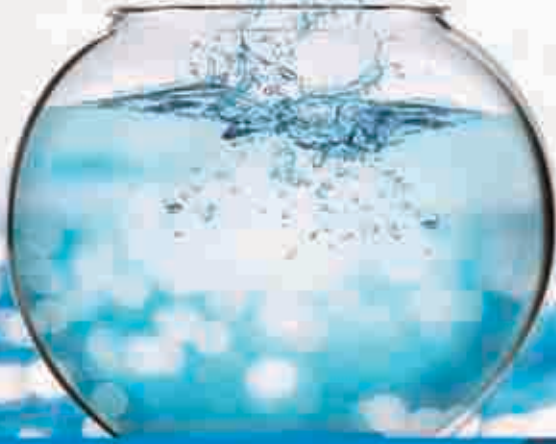

फूल कहता है,
जिन्दगी एक खुशबू है।

होंसला रख आगे बढ़ने का,
मुश्किलों से लड़ने का,
यही तो एक तरीका है,
ऊंची उड़ान भरने का
लड़खड़ा भी जायें गर कदम
तो गम न कर
यही वो वक्त है तेरा
कुछ कर गुजरने का

भले ही राहों में मिले
पत्थर हो मिलने दे
हिम्मत कर आगे बढ़
तेरे ही पास है हर हल
बस एक बार भरोसा
कर ले तू खुद पर
मजा तुझे भी आने लगेगा

जब खुदगर्जी तले जमीर को रोँदा जाता है...
जब गुलत को गुलत न कहकर गुलत किया जाता है...
जब झूठ को सच की दलीलों से जीता जाता है...
तब दिखाई नहीं देता पर कत्ल होता है..

किसी शख्स की मासूमियत का
या फिर किसी शख्सियत का....
किसी के यकीन का
या फिर किसी के सुकून का....
जिन्हें यकीन था कभी जादू पर,
उन नज़रों को आज हकीकत पर शक है....

फर्ज का कुछ इल्म ही नहीं,
मगर जेहन में याद बस हक है....

कभी जन्नत थी ये जर्मी,
पर अब लगती ये दोख है....

इंसानियत का मजहब नहीं पता इन्हें,
तालीमदार ये बेशक हैं....

अधूरी लिखी किताब पड़ी है
अधूरे किए ख्वाब पड़े हैं
अधूरा सा मेरा इश्क जिसकी
यादों के टुकड़े
अभी भी दिल के पास पड़े हैं।

रास्ते मैंने लाख चुने हैं
हर मोड़ पे ही ख्वाब बुने हैं
वो कहते हैं कि तुम्हारे ख्वाब बड़े हैं
पर तुम में आलस के भी बीज पड़े हैं
ख्वाब तो सारे पूरे कर लूं मैं मगर
मेरे हौसले ही मुझसे नाराज़ खड़े हैं।

एक अधूरी लिखी किताब पड़ी है
कुछ अधूरे से मेरे ख्वाब पड़े हैं

भरना है तुझको लंबी उड़ान,
तभी तू ऊचाँ बन पाएगा॥

माना राहों पे आएंगी मुश्किलें हजार,
तू संघर्ष कर, तू आगे बढ़
तभी तो सपना साकार कर पाएगा॥

तू कुछ कर अलग, तू कुछ बन अलग,
तभी तो नाम कमाएगा!!

पंख होंगे तेरे भी मजबूत,
जब तू सपनों से साहस भर पाएगा,
तू गिर, तू हजार बार गिर, फिर से उठ खड़ा हो,

दिन में तहरी, रात को मैगी
आधे पेट ही खाकर तेरा नाम जपते हैं
सारे युवा आज तुझपे ही मरते हैं

अंजान शहर में छोटा सस्ता रूम लेकर
किचन बेडरूम सब उसी में सहेज कर
चाहत में तेरी अपने माँ-बाप और

दोस्तों से दूर रहते हैं
सारे युवा आज तुझपे ही मरते हैं।

इण्टरनेट अखबारों में तुझको तलाशते
तेरे लिये पत्र-पत्रिकायें पढ़ते-पढ़ते
बत्तीस साल तक के जवान कुँवारे फिरते हैं
तू कितनी हसीन है ऐ! नौकरी
सारे युवा आज तुझपे ही मरते हैं...।

विचार

- ❖ जीवन में कुछ भी स्थायी नहीं है इसलिए स्वयं को अधिक तनावग्रस्त न करें, क्योंकि परिस्थितियाँ चाहे कितनी भी खराब हो बदलेंगी जरूर।
- ❖ मेहनत सीढ़ियों की तरह होती है और भाग्य लिफ्ट की तरह। किसी समय लिफ्ट तो बंद भी हो सकती है पर सीढ़ियाँ हमेशा ऊँचाई की तरफ ले जाती हैं।
- ❖ हर रोज गिरकर जिदंगी जरा मुक्कमल खड़े हैं....
ऐ जिंदगी, जरा गौर से देख, मेरे हाँसलें तुमसे भी बड़े
- ❖ ना संघर्ष, ना तकलीफ तो, क्या खाक मजा है जीने में,
बड़े-बड़े तूफान थम जाते हैं, जब आग लगी हो सीने में॥
- ❖ थोड़ा जिद्दी हूँ ख्वाब देखने से बाज नहीं आता,
अपने सपनों के लिए बिना संघर्ष किये हार जाऊँ,
यह मुझे रास नहीं आता।
- ❖ कहते हैं काला रंग अशुभ होता है।
पर स्कूल का वो ब्लैक बोर्ड लोगों की जिंदगी बदल देता है।
- ❖ Decide what you want, Write it down.
Make a plan, Work on it every damn day.
- ❖ Slow steps in the right direction is better than going the wrong way.

आंसू

आंसू, अश्रु, या अश्क यूं तो सभी एक ही शब्द के पर्याय हैं किंतु इनका उपयोग करने वाले अपनी-2 सुविधा के अनुसार इनका प्रयोग करते रहे हैं। यदि बात किसी प्रेमरस में गोते लगाते हुए कवि के काव्य की किसी नायिका की हो तो आंसुओं को मोतियों की संज्ञा भी दी जा सकती है।

आंसुओं से दर्द का बोध भी कराया जा सकता है और आंसू बहाने से दर्द हल्का भी होता है। आंसू काम आते हैं, अपनों से रूठ जाने में भी, अपनों को मनाने में भी और अपनी बात मनवाने में भी। आंसू गम के भी होते हैं और खुशी के भी, आंसू रोने में भी निकलते हैं और हंसते-2 भी।

रोने में तो आंसुओं का आना एक स्वाभाविक बात है, यदि न आए तो आपके रोने को मिथ्या भी साबित किया जा सकता है। हां एक और बात आंसुओं के साथ रोने के स्थायी भाव आपके चेहरे पर स्पष्ट रूप से दिखने चाहिए, अन्यथा वो आंसू मगरमच्छ के कहे जायेंगे।

यूं तो आंसू का कोई प्रकार नहीं होता, आंसू तो आंसू होता है। किंतु मेरे व्यक्तिगत विचार और कुछ

ऐतिहासिक घटनाओं की माने तो आंसू की महत्ता निर्भर करती है परिस्थिति जिसमें आंसू बहाए गए या फिर उस व्यक्ति के भाव जिसने आंसू बहाए। उदाहरण के लिए, सूर्यनखा ने रावण के सम्मुख आंसू बहाए जो की रावण के विनाश का कारण बने, द्रौपदी के आंसू कौरवों के

विनाश के कारण बने और महाभारत जैसा महासंग्राम छिड़ा।

वहीं सुदामा के लिए कृष्ण के द्वारा बहाए गए आंसू मित्रता की मिसाल बने। कृष्ण के लिए, राधा ने बहाए तो प्रेम के प्रतीक बने, और मीरा ने बहाए तो भक्ति के। मैंने भी बहाए थे एक बार आंसू, बचपन में किसी खिलोने के लिए और पिताजी ने मुझे खूब पीटा था।

तथ्यों की माने तो, आंसू घातक भी हो सकते हैं और प्रेम के प्रतीक भी। तो अगली बार जब भी आप आंसू बहाएं तो कृपया परिस्थितियों एवं उनसे होने वाले परिणामों का मूल्यांकन अवश्य करें।

एक किलोग्राम का पैमाना क्या?

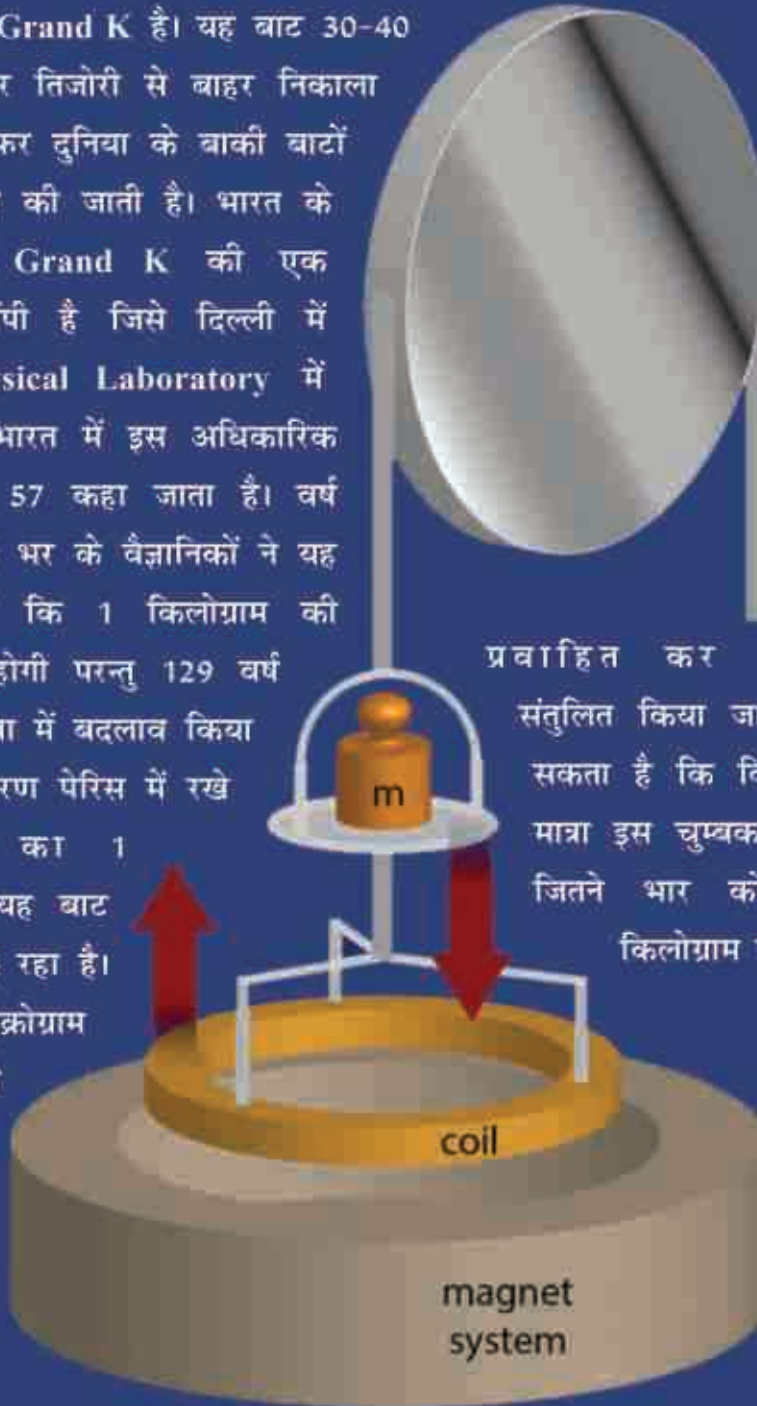

फ्रांस की राजधानी पेरिस में एक तिजोरी के अन्दर प्लेटिनम और इरीडियम धातु का एक सिलेंडर रखा हुआ है और इसे ही इंटरनेशनल प्रोटोकाल किलोग्राम माना जाता है। इसे हम एक किलो का सबसे सटीक बाट भी कह सकते हैं। इसका नाम Le Grand K है। यह बाट 30-40 वर्ष में एक बार तिजोरी से बाहर निकाला जाता है और फिर दुनिया के बाकी बाटों से इसकी तुलना की जाती है। भारत के पास भी Le Grand K की एक अधिकारिक कॉपी है जिसे दिल्ली में National Physical Laboratory में रखा गया है। भारत में इस अधिकारिक बाट को नंबर 57 कहा जाता है। वर्ष 1889 में दुनिया भर के वैज्ञानिकों ने यह तय किया था कि 1 किलोग्राम की परिभाषा क्या होगी परन्तु 129 वर्ष बाद इस परिभाषा में बदलाव किया गया। इसका कारण पेरिस में रखे मिश्र धातु का 1 किलोग्राम का यह बाट धीरे-धीरे सिकुड़ रहा है। इसमें 30 माइक्रोग्राम की कमी आयी है जो एक चीनी के दाने के बराबर होती है लेकिन विज्ञान की

दुनिया के लिये यह फर्क बड़ा है। एक बड़ा सम्मेलन आयोजित किया गया जिसमें दुनिया के कई वैज्ञानिकों का पक्ष किलोग्राम को यांत्रिक और विद्युत चुम्बकीय ऊर्जा के आधार पर परिभाषित करने थे।

ऐसी होगी नई परिभाषा:

5 वर्ष की मेहनत से वैज्ञानिकों ने तराजू जैसा एक उपकरण बनाया। किब्बल तराजू के एक तरफ भार (द्रव्य) होता है और दूसरी ओर उसे खींचने वाली एक टन की विद्युत चुम्बक है। इस चुम्बक में विद्युत धारा प्रवाहित कर दूसरी ओर लटके भार को संतुलित किया जाता है। इस प्रकार कहा जा सकता है कि विद्युत धारा की एक निश्चित मात्रा इस चुम्बक में बहाने पर यह उपकरण जितने भार को संतुलित करेगा वह 1 किलोग्राम होगा।

इस उपकरण का विकास डॉ. ब्रायन किब्बल ने किया था।

COLLEGE DAYS

Making friends and memories
that will last forever in my mind.
Learning the lesson that will mold
me into the person I will find.
Discovering the possibility of
choices that I will need to make.
Wondering about the challenges.

That lie on whatever path I take
listening to my heart.
I set a course for the goals
I wish to achieve
And now I begin the journey of my dreams.
Knowing that all I need is to believe.

LETTER FROM THE MAIN GATE OF KIPM

Dear Reader,

Hello! I am a main gate of KIPM-College of Management. Since I was made and put up on wall I am very happy to be the part of this institution. In my journey I had seen, M.D. Vinod Singh, Principal – Jaiveer Singh and many more faculty members. The Teachers/ Faculties use to put all effort to make the institution more high every day.

The arrival of new students in different classes was like fruits of this institution. Now, it was like my routine to welcome a new student and to say a happy good bye to the old ones. Let me help you when the old ones leave from this institution. I felt sad and wishes to cry. But the entrance of new students was like raindrops falling on me. Then the entrance of many teachers were so wonderful and graet phase for this institution.

MY FIRST DAY AT COLLEGE

Pay attention everyone

I entered the campus
I searched for my department
I searched for my class

Girls well dressed up in the best of their attires and loads of makeup. Boys showing the best of their swagger attitude. People were really busy exchanging their phone numbers and find their ideal matches. This is what I assumed

I was literally nervous. The moment I reached I saw a girl standing wearing a college uniform. I thought she might be my senior. I walked towards her and introduced myself to which she replied that she was my batch mate. I was happy to know that....

And then I met my faculty, my mentors. I was like a most blessed and happy to have a best college

platform pursuing MBA here under the guidance of best faculty members. They became my ideal and inspiration everyday.

Their appreciation was blessings for me, huge respect to all

My gratitude to you for all you have done which I will never forget. I y=truly appreciate you and your time you spent helping me in many occasions that I enjoyed every minute of your lecture as well as your marvelous sense of humour.

HEALTH – THE BEST WEALTH

The age-old popular saying, “**Health is Wealth**” is a one-line treasure indeed. Health does not mean the absence of physical troubles only but refer to a state of complete physical, mental and social well-being.

In the past decade there has been an unprecedented rise in the growing problem of obesity in children, which is leading to type II diabetes.

Children, especially in the cities, depend on junk or overeat, have sugar-sweetened beverages and include very few fruits and vegetables in their normal diet. As a result they become overweight and obese and make themselves vulnerable to lifestyle diseases like high blood pressure and type II diabetes.

Fortunately, the solution of this

problem is simple — give the children a better option of nutritious and hygienic home cooked food, made interesting through innovations,. School authorities should also take immediate steps to replace fast food items with health promoting items such as milk, eggs, bread sandwich, fruits etc. Students be taught that health is wealth. If they remain healthy, only then they can concentrate on studies. Junk food will bring nothing but ill health, obesity and unhappy life.

शब्दों की माला गूँथ-गूँथकर तेरी खातिर लाया हूँ
गीत इन्हें तुम कर देना, देकर अपना राग प्रिये

रुखसार तेरे चंदा हो जाए और अंधेरा हो तेरे जुल्फों का
तेरे पहलू में बैठे-बैठे बस यूँ ही कट जाए ये रात प्रिये

वो लम्हे जो संग तेरे गुज़रे, आँखों में अपने भर लूँगा
तन्हाई जब भी दस्तक देगी याद उन्हीं को कर लूँगा

अभिलाषा क्या जीवन भर की दो पल संग तेरे अनमोल बड़े
बस इतना करना, जब भी मैं मूढ़ूँ पलकें, रहना मेरे साथ प्रिये

होंठ तेरे प्याले बन जाए सुरमई आँखें हो मधुशाला
साकी बन करके टपका देना दो बूँद सुधा तुम आज प्रिये

जब भी मैं दफनाया जाऊँ दो हाथ धरा की चाह नहीं
तेरी गोदी में हो सिर मेरा ऊपर तेरे आँचल की छाँव प्रिये

आह! मुझे अब जाना होगा अब रहा नहीं तुझपे मेरा अधिकार प्रिये
पर जब भी तन्हाई में बैठी हो तो तुम भी कर लेना मुझको याद प्रिये।
